Though he's never been able to commit to just one girl, unfortunately he's recently been saddled with his mom's irrepressible pooch, a golden doodle named Barbra Streisand, and his publisher has saddled him with a co-writer, a shy psychologist named Tory Hoffstra, who's determined to keep him on a short leash. Suspecting that Keenan's nothing but a hound, Tory joins the roundtable under an alias. She's shocked that he's more than just a smooth-talking seducer and that he's even more gorgeous than she had heard. As for Keenan, before long he finds himself warming up to Barbra the dog and feeling the heat with Tory, and learning that not even his own advice could have prepared him for finally falling in love.

The children are sending her messages. Dr. Cordelia Hunter has been brought in by the police's elite child protection unit to consult on their investigation into a terrifying internet paedophile ring. Using skills she developed during her own traumatic childhood, she recognises a child being abused in the live internet film. Is she sending out silent messages, ones that only she can understand? But with the clock ticking and the police frustrated by their rules and red tape, she realises she may have to make it her own mission to track down the child rapists and the innocents they are abusing before it's too late.

Three years later, in their senior years, Marcus has blossomed into a hulking football playing man. Loch has kept up with the man he believes is his true master, but now they have to individually decide about their futures. How can their destinies be the same when they are such different people? How can you experience complete fulfillment and devastating loss within a minute of each other?

Meet the women on the front line of the fight against paedophiles. Their suffering brought them together; now they bring hope to thousands of other victims in their struggle for justice and healing.
